## BALLISTOL BASIN Stockoil

### Product Features

High-quality stock and wood care for new as well as secondary treatment, available in 3 colours

### Special Features

- The 3 colors can be mixed as desired
- Brittle, weathered stock wood becomes water-repellent and weather-resistant again
- Protects against rot, mold growth, rain and moisture
- Food safe (e.g. suitable for kitchen use)
- Creates a fine, silky-smooth shine

### Application / Practical Tips

The ideal maintenance product for gun stocks made of walnut and other natural woods. Also suitable for unfinished wood furniture.

#### Application:

Sand the surface and wipe clean. Apply the oil with a brush or soaked cloth and let it soak overnight. Polish with a soft cloth to finalize. Repeat the process on a daily basis until the desired hue is achieved.
