

Product information

IT WORKS.

BALLISTOL DRY CLEANER & DETAILER

Product Features

Quickly cleans and shines, suitable for all types of vehicle, bicycle and motorcycle

Special Features

Delicate express care

Cleaning without water

Brilliant lacquer finish with roll-off effect

High-quality polymers and waxes create an extreme deep shine

Suitable for all types of vehicle, bicycle and motorcycle

Pleasant, fruity scent

Dissolves light and moderate dirt such as splashes of dirt, pollen, lime spots, rainwater stains and fingerprints

Application / Practical Tips

As a detailer: Either spray on wet lacquer and dry with microfibre dry cloth. Or spray on the lacquer after cleaning the surface and spread with soft cotton cloth/short pile microfibre cloth.

As a dry cleaner: Spray evenly onto the surface and spread with a soft cotton cloth or high-pile microfibre cloth.

Finally, always wipe up excess product residue with a dry, soft high-pile microfibre cloth.

Available as

750 ml

5 litres

Physical and Chemical Characteristics

Appearance: liquid, light green

Odour: pleasant

pH value: 8.5 (at 20 °C)

Boiling point: > 85 °C

Flash point: > 80 °C

Ignition temperature: 425 °C

Vapour pressure: 23 hPa

Relative density: 0.99 g/cm³

Viscosity dynamic: 200 mPa*s (at 20 °C)

Hazard Statement

/

Note: Do not use in the blazing sun or on heated surfaces. Do not allow to dry.

Important Product Advantages

- Delicate express care
- Cleaning without water
- Can be used on painted, chrome and plastic surfaces
- Brilliant lacquer finish
- Excellent roll-off effect
- Without nanoparticles
- Colour refreshing for plastics
- Tip: For a perfect paint finish, spray onto the still damp surface after washing the bike or car. Finally, dry all over with a microfibre drying cloth
