

Product information

IT WORKS.

BALLISTOL

GUNEX

Special Gun Oil

Product Features

Long-lasting rust protection, even under extreme weather conditions

Special Features

- Very good creeping and lubricating properties
- Cleans, slide-active and does not stick
- Does not resinify
- Prevents freezing
- Free of animal oils, silicone and PTFE
- Neutral to rubbers and plastics

Application / Practical Tips

- Ideal for cleaning, care and maintenance of hunting and sports guns, pistols, revolvers, signal devices and bolt stunners
- Keeps the complete mechanism smooth
- Removes powder, tombac and smoke residues as well as unsuitable oils and dirt
- Also for fishing rods, telescopic extensions and reels
- For long-term preservation of metallic, sensitive parts
- Temperature application range: -40 °C to approx. +150 °C

Available as

	art.no.
100 ml	23010
500 ml	22050
5 litres	22100
Spray 50 ml	22150
Spray 200 ml	22200
Spray 400 ml	22250

Physical and Chemical Characteristics

Appearance: dark brown, spray cloudy / liquid clear

Odour: mineral oil-like

Flash Point: spray approx. -104 °C (propane) / liquid not determined

Boiling Point: spray -48 °C (propane) / liquid not determined

Relative Density: approx. 0.874 g/ml (for spray with regard to liquid phase)

Lower / Upper Explosion Limit: spray approx. 1.5 / approx. 10.9 vol. (propane) / liquid not determined

Viscosity kinematic: approx. 28mm²/s (for spray with regard to liquid phase)

Refractive index: 1.48 (20°C)

Hazard Statement

Spray: Extremely flammable aerosol. Harmful to aquatic life with long lasting effects. Pressurised container: May burst if heated. / **Liquid:** Causes skin irritation. Causes severe eye irritation. Harmful to aquatic life with long lasting effects.

Important Product Advantages

- Displaces moisture
- Crawls into the finest cracks
- Perfect protection in all climatic zones, even in the tropics
- Successfully subjected to the salt chamber spray test DIN 50 021-SS
- Very good lubricating properties
- Cleans
- Does not resinify
- Keeps sliding and does not stick together
- Prevents freezing
- Does not contain acids, silicone, PTFE
